

Comenius project MY -> OURS. Migration and Youth. For an open-minded, unprejudiced and receptive school/society.

Plan for the second year 2013 – 2014.

Objectives for the second year:

1. Understand current local and school policies and practices on migration and integration.

2. Understand the ways and views of (im)migrant students at the schools involved.

3. Make film clips to portray the "countries present at school".

4. A writing competition on the analysis of literary excerpts on migration(grade).

5. Involve schools in topical activities on Comenius Day.

6. Photo competition on 'migration'.

7. Write guidelines on integration for the young European citizen.

Topics – second year:

E. Exclusion and inclusion practices

F. Migration as a topic in literature and the arts

G. Guidelines
