10 Guidelines for Integration for the young European Citizen

1. No tolerance of racism.
2. Be open-minded and try to understand what migrants have experienced.
3. Don’t make fun of people who do not know the language of your country.
4. Organize extra courses for migrants to learn the language of your country and to practice more in the subject they need help in.
5. Make an effort for everyone to feel accepted.
6. Include migrants in your activities.
7. Elect tutor students and teachers to help with integration.
8. Learn different languages and promote cultural learning at school.
9. Promote intercultural projects such as Comenius projects and secure finance.
10. Give migrants assistance in finding a job.
